Cathartic Pills

Combine the choicest cathartic principles in medicine, in proportions accurately adjusted to secure activity, certainty, and uniformity of effect. They are the result of years of careful sindy and practical experiment, and are the most effectual remedy yet discovered for discases, caused by derangement of the stomach, liver, and howels, which require prompt and effectual treatment. Aven's Pills are specially applicable to this class of discases. They act directly on the digestive and assimilative processes, and restore regular healthy action. Their extensive use by physicians in their practice, and by all civilized nations, is one of the many proofs of their value as a safe, sure, and perfectly reliable purgative medicine. Being compounded of the concentrated virtues of purely vegetable substances, they are positively free from calemel, or any injurious properties, and can be administered to children with perfect safety. Ayen's Pills are an effectual cure for Constipation or Costiveness, Indiges-tion, Dyspepsia, Loss of Appetite, Foul Stomach and Breath, Dizziness, Headache, Loss of Memory, Numbness, Biliousness, Jaundice, Rheumatism, Fruptions and Skin Diseases, Dropsy, Tumors, Worms, Neuralgia, Colic,
